

## **EGIL Awards Supply Chain Management Contract to Direct 2 Fulfillment**

Monday February 11, 8:00 am ET

LAUDERDALE BY THE SEA, Fla., Feb. 11 /PRNewswire-FirstCall/ -- Edgetech International, Inc. (together with its wholly-owned subsidiary, "Edgetech" or the "Company") (OTC: [EGIL - News](#)) is pleased to announce that the Company has awarded its fulfillment center contract to Direct 2 Fulfillment. Direct 2 Fulfillment will provide Edgetech International with e-commerce, call center services, product fulfillment, rebate programs, database marketing, warehousing, professional inventory management, as well as distribution/logistics. Calls into 1-866-439-EDGE (3343) will now be answered at the Direct 2 Fulfillment Center in Pompano Beach, FL.

"The PC Edge" is a unique, handheld, stand alone wireless unit with a built in modem and full-screen display providing High Speed Internet Access.

Edgetech CEO, Lev Parnas, stated, "Customer satisfaction is the cornerstone of any successful business. The services provided by Direct 2 Fulfillment will provide our customers with best in industry supply chain management."

Direct 2 Fulfillment Director of Business Development, Gary Ritter, stated: "The newly formed business partnership with Edgetech International clearly demonstrates this methodology ensuring each customer contact and service delivery is on time ... one at a time ... right every time. Our secret is to form one on one relationships in a fast paced environment evidenced by The Edgetech International model."

About Direct 2 Fulfillment:

Direct 2 Fulfillment sees the need and opportunity to extend technology and apply superior operating processes to the less glamorous back-end delivery process. The company also sees the overwhelming advantages of focused fulfillment expertise coupled with technology aiding visibility and operating processes. Businesses

understand that if you do not deliver on your promise, you will not be in business and they entrust Direct 2 Fulfillment to ensure that they deliver on their promises. The most efficient operating philosophy now points to cost effective third party strategic sourcing and collaboration with value added partners.

#### About Edgetech International:

Except for historical information, the matters discussed in this press release are "forward looking statements" within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward looking statements are subject to risks and uncertainties that could cause actual results to be materially different from historical results or from any results expressed or implied by such forward looking statements. Any forward looking statements speak only as of the date on which such statement is made, are not guarantees of future performance, and involve certain risks, uncertainties and assumptions that are difficult to predict. Therefore, actual outcomes and results may differ materially from what is expressed or forecast in such forward looking statements, whether as a result of new information, future events or otherwise. Factors that could cause such results to differ materially from the results discussed in such forward looking statements include, without limitation: uncertain continued ability to meet our operational needs in view of continued severe ongoing working capital constraints; need for substantial additional capital to fully implement our plan of operations; no assurances of and uncertainty of profitability; no assurances of the Company's ability to effect sufficient product sales

so as to maintain exclusivity in certain territorial markets, the result of which could materially adversely effect the Company's results of operations; need for additional management, sales and marketing personnel, which is contingent upon our receipt of additional capital; competition from companies having substantially greater financial, marketing and other resources than the Company, including name and brand recognition; the impact of competitive services and pricing; changing consumer tastes and trends; and the legal, auditing and administrative cost of compliance associated with the Sarbanes Oxley Act. Many of such risk factors are beyond the Company's control. New factors emerge from time to time and it is not possible for management to predict all of such factors, nor can it assess the impact of each such factor on the business of the Company or the extent to which any factor, or combination of factors may cause actual results to differ materially from those contained in any forward looking statements. In light of these risks and uncertainties, there can be no assurance that the results anticipated in these forward looking statements will in fact occur. The Company undertakes no obligation to update any such forward looking statements.
